

PRODUCT INFORMATION SHEET

Product Name: SCREENEX

PRODUCT

Screenex is a concentrated glass cleaner, formulated for addition to vehicle windscreen cleaner reservoirs.

Screenex is very effective in the removal of grease, dirt and bugs from windscreens. Screenex contains evaporative chemicals to enable quick drying and eliminate streaking.

It is economical and safe to use and does not damage wiper rubbers or paintwork.

APPLICATION

Add Screenex to windscreen reservoir at a ratio of 50ml of Screenex per 1 litre of water.

CONTAINER SIZES

20 Litres.
