

PRODUCT DATA SHEET

MARINA 40

(SAE 40)

DESCRIPTION

Marina 40 is an SAE 40 grade oil developed for traditional marine main propulsion and auxiliary trunk piston diesel engines operating in severe service conditions using lower quality distillate fuels with sulphur content up to 1%.

Viscosity - Typical 14.8 cSt @ 100°C
TBN – 14.0

APPLICATION

Designed for engines, transmissions and hydraulic systems where an SAE 40 monograde oil is specified or indicated. It is particularly suitable for marine main propulsion and auxiliary trunk piston diesel engines.

STANDARDS

Meets or exceeds the following:

SAE Grade: 40
API: CF

CONTAINER SIZES

205 Litres, 20 Litres

Issue Date 1/9/2019
