

## **PRODUCT INFORMATION SHEET**

**Product Name:** TALCOR SUPER HD2 GREASE

**Date Issued:** 19<sup>th</sup> March 2007

### **PRODUCT**

Talcor Super HD2 is a heavy-duty adhesive grease for demanding automotive, transport, industrial and agricultural applications. It has excellent resistance to water washout and water spray-off. Its advanced additive package maximises anti-wear, anti-rust and oxidation inhibiting properties. The heavy base oil blended with adhesive additives helps to resist squeeze-out and fling-off. It is grey/black in colour.

### **APPLICATION**

Developed for general plant lubrication and ball and roller bearings, bushes, screws, chassis slides and slideways where loads are high and speeds are low. It is the upgrade recommendation for extreme duty, low speed, and high load applications.

### **STANDARDS**

Meets or exceeds the following:  
NLGI: 2

### **CONTAINER SIZES**

20 kg.                      2.5 kg,                      500 kg,                      450 g cartridges.
