

PRODUCT DATA SHEET

HVX 2000 **(20W50 SG CD)**

DESCRIPTION

HVX 2000 is a all-purpose petrol/LP/Turbo/Light Diesel engine oil, designed for reliable, everyday motoring. It offers outstanding all-round engine protection with specialised anti-sludge, anti-wear technology. It includes a fortified additive package for constant tropical climate service.

Viscosity - Typical 18.0 cSt @ 100°C

APPLICATION

Designed for pre-1992 4 stroke and rotary motors using ULP, PULP and LPG fuels and requiring an SAE 20W50 engine oil. While it is designed to minimise oxidation, deposits and component wear in pre-1992 motors including turbocharged models, it is also suitable for light duty passenger car style diesel motors.

STANDARDS

Meets or exceeds the following:

SAE Grade: 20W50

API: SG CD

CONTAINER SIZES

205 Litres, 60 Litres, 20 Litres, 5 Litres

Issue Date: 1/9/2019

Proven Protection. Powerful Performance.
