

PRODUCT DATA SHEET

HVX 4000 **(20W50 SN CF)**

DESCRIPTION

HVX 4000 engine oil has modern technology for late model, high stress applications. It provides the maximum protection against wear, corrosion, oxidation and sludge formation and is particularly suitable for naturally aspirated and turbo-charged models. HVX 4000 oil can be used in light and medium duty diesel engines and it provides enhanced valve train lubrication in modern unleaded petrol and LP gas motors.

Viscosity - Typical 17.4 cSt @ 100°C

APPLICATION

This oil is designed for all 4 stroke and rotary petrol motors using ULP, PULP and LP gas fuels and requiring an SAE 20W50 engine oil. Although it was specifically designed for post-1997 model motors, including multi-valve and turbo-charged motors, it is also suitable for light duty passenger car style diesel motors. This product is recommended for 4-stroke motorcycles.

STANDARDS

Meets or exceeds the following:

SAE Grade: 20W50

API: SN CF

ACEA: A3/B4-16

MB 229.1

VW 505 00 502 00 501 01

CONTAINER SIZES

205 Litres, 20 Litres, 5 Litres

Issue Date 1/9/2019

Proven Protection. Powerful Performance.
