

## PRODUCT DATA SHEET

# INDUSTRIAL METHYLATED SPIRIT

A background image showing a close-up of industrial machinery, possibly a pump or engine component, with various pipes, valves, and mechanical parts. The image is slightly blurred and has a light blue tint.

## DESCRIPTION

Prolube Industrial Methylated Spirit is an ideal domestic and commercial cleaning solution. Perfect for cleaning hard surfaces like bench tops and floors as well as tough to remove marks on windows and other glass surfaces.

There are also many other uses from burner fuel to stove top burners and process ingredient. It is also a powerful antiseptic, solvent and preservative.

## APPLICATION

Apply liberally with a cloth to surfaces to remove dirt and grime including sticker residues and candle wax. Use undiluted in spirit burners for cooking and heating.

## TECHNICAL DATA
