

PRODUCT DATA SHEET

SYNTEGRA TRANSGEAR 75W90

(FULL SYNTHETIC DRIVE TRAIN LUBRICANT)

DESCRIPTION

Prolube Syntegra Transgear 75W90 is an extreme heavy-duty multi-application driveline lubricant featuring full blend synthetic polyalphaolefin (PAO) technology. It has been formulated for manual gearboxes, transfer cases and differentials where long life and extreme load bearing characteristics are demanded. It provides outstanding gear and bearing lubrication as well as excellent cold flow and gearshift quality. In addition, there is the potential to significantly extend drain cycles.

SAE 75W90

Viscosity Typical (cSt @ 100°C)	16
Viscosity Typical (cSt @ 40°C)	96

APPLICATION

Prolube Syntegra Transgear 75W90 oil is designed for automotive, transport and heavy equipment gear applications subject to equipment manufacturers' recommendations. It has been specifically designed for severe service high-heat, high-load and constant running commercial situations where limited slip capabilities are not required.

STANDARDS

Meets or exceeds the following:

SAE Grade: 75W90

API GL5, MT-1

MIL-PRF-2105E

Mack GO-J

Scania STO 1:0

DAF

MAN 342 M2

Renault

Iveco

SAE J2360

ZF TE-ML 05B, 07A, 08, 12L, 12N, 16F, 17B, 19C, 21A

Arvin Meritor 076-N

CONTAINER SIZES

205 Litres, 20 Litres

Issue Date 1/6/2022
