

PRODUCT DATA SHEET

SYNTEGRA MT 75W-90

(FULL SYNTHETIC GL-4 GEAR OIL)

DESCRIPTION

Syntegra MT 75W-90 gear oil is a premium full synthetic GL-4 manual transmission lubricant designed specifically for synchronised and non-synchronised transmissions in heavy duty applications typical of Australian long-haul conditions. It is proven in extended drain applications up to 400,000 km in manual transmissions.

Syntegra MT 75W-90 is also compatible with mineral oils so there is no need for a major flush to be carried out prior to changeover under normal circumstances.

Viscosity: Typical 14 cSt @ 100°C

APPLICATION

Syntegra MT 75W-90 is especially recommended for Volvo manual and automated i-Shift transmissions. Syntegra MT 75W-90 is also recommended for Eaton Roadranger, Meritor, Spicer transmissions in heavy duty service where an SAE 50 grade product is specified.

STANDARDS

Meets or exceeds the following:

SAE Grade: 75W-90

API: GL-4

Suitable for use applications where Volvo specifications 97315 and 97319 are indicated.

CONTAINER SIZES

205 Litres, 20 Litres

Issue Date: 1/2/23
